

Winter & breath frozen

How to
channel
dead cats
& rivers
that have not
yet cut their
way into the
past .

Time
Condescends to perpetuate this forgetting

These categories of **foundationhouses**

'this ain't getting any easier' thoughts

& scatological

eschatology .

How the
mountain
rises from a
pressure
deep
w/in .

She put on her tap shoes

& this time the night
danced

her away . how the car
drives

you & cuts the scenery

outside as a means of not

remembering .
Continents

as reduplications of what

has already passed and
what

is about to pass . If time

condescends to
perpetuate

a forgetting this
mountain

landscape rises
scatological .

Caesar crossed

space between

and balcony

continent opened

landscape .

When

the liminal

bedroom

another

up on the

The ledge that tripped and fell over itself .
